Report of the County Commissioners.

TO THE CITIZENS OF STRAFFORD COUNTY:

Again we present to the tax payers of the County our annual report in accordance with the New Hampshire statutes; also the reports of the Superintendent of the Farm, Physician, Chaplain, Treasurer, Solicitor, Sheriff, Jailor, Clerk of the Supreme Court and Auditors.

FINANCIAL CONDITION OF THE COUNTY.

As you will see by the Treasurer's report the net debt of the County Jan. 1, 1895 is \$109,314.83, showing a decrease since Jan. 1, 1894, taking into account the permanent improvements at the County farm, of \$17,595.18.

There was in the hands of the Treasurer Jan. 1, 1895, \$54,004.04.

PERMANENT IMPROVEMENTS.

We have finished during the past year our plant for the better protection of the inmates in case of fire and now consider that we have one of the best constructed plants in New England, having steam at all times, ready at a minute's notice to start our large pump, which with our hydrant service, water capacity and the efficient ability of our Superintendent, we can "drown the same".

We have also added a much needed building in the shape of a hog house 75x24, where we can keep our swine neat and comfortable, thereby reaping a better profit from their culture; the almshouse has been thoroughly painted inside and now presents a building of comfort and neatness much credit of which is due to our able managers, Supt. Willand and wife, whose aim is to make the place as near homelike as possible for the unfortunate people whom you are asked to support.

Report of Superintendent.

(From Jan. 1, 1894 to Jan. 1, 1895.)

TO THE COUNTY COMMISSIONERS.

GENTLEMEN:—In submitting my report I sincerely thank you for the kindness and wise counsel shown me at all times. The improvements you have caused to be made in water supply, new steam plant, plumbing, sewerage, apparatus for steam cooking and hot water have given excellent satisfaction.

I also wish to thank the County Physician, Dr. A. P. Richmond, for the prompt and earnest work rendered at all times and to our Chaplain, Rev. I. W. Beard, whose kind and cheering words have been so comforting in the sick room and chapel.

My assistants on the farm have labored hard and faithfully and I take pleasure in publicly expressing my appreciation of their services.

Respectfully submitted,

EDWARD A. WILLAND,
Superintendent.

Report of Chaplain.

The religious services have been held regularly at the County Farm on the Sundays throughout the year. It has been a great satisfaction to your chaplain to minister to the people there and his services seem to be fully appreciated by the inmates. Dec. 29th the thirteenth annual Christmas tree was given by a group of young ladies representing the different churches in Dover. My services as Chaplain at funerals have been seldom used throughout the year owing to the pious care of Mr. Wil-land, the Superintendent, in providing for the burial of the dead in their own town.

Report of Physician.

As County Physician for the year ending Jan. 1, 1895, I submit the following report:

During the past year there have been few cases of serious or protracted illness among the inmates of the County Farm, other than might be looked for among so many aged and infirm. That there has been so little sickness apart from that attendant upon age, is largely due to the excellent management which has characterized the work of the officials in charge.

The benefit derived from the improvements made during the year eighteen hundred and ninety-three, have been many ; while the constant vigilance of the Matron, Mrs. Willand, in insisting upon cleanliness of the most thorough kind among the inmates and throughout the building, renders the sanitary condition as nearly perfect as is possible in an institution of this nature.

There has been no epidemic; but one serious accident has occurred, that, the scalding of the Cowan child; one inmate, Edward S. Berry, being adjudged insane, was removed to Concord. There have been four births and seventeen deaths since Jan. 1, 1894.

In many ways, the new Telephone connection has

aided the Physician's work. At the jail there has been the ordinary amount of sickness. One major operation, that of strangulated hernia was performed, Drs. Ham and Sullivan assisting. There has been one case of acute pneumonia.

In the city, the number of cases treated is large. One insane person removed to Concord.

In conclusion, I desire to express my appreciation of the real service rendered me by Supt. and Mrs. Willand, in my work at the County Farm; to Mr. and Mrs. Scates for their able assistance at the Jail; and to you, gentlemen, Commissioners of Strafford County, for making possible by your co-operation all that has been done.

The following is a list of those who have died at the County Farm, with date, age and cause of death:
